

Huber Ridge Area Association 10/4/07 Minutes

Call to order by President Jim Welch-the meeting was called to order at 6:40pm

Introductions/Attendance/Quorum (sign-in list and updates). There were 20 residents in attendance and 4 representatives from the Blendon Township Police Department.

Special Guest/Events: Block Watch Rep Award given to Amy McCarthy by Sgt. Wayt

President's Comments-Jim Welch welcomed everyone to the meeting. He stated that the HRAA website had the largest number of hits to date: 3,056. He encouraged everyone to take advantage of the discussion area on the website and spoke about one discussion in particular from an anonymous person speaking about cleaning up the community. Jim wanted to remind all residents of Blendon Township that participation in the association/being a member will have a larger impact in our community than "complaints". Jim stated that the association has the highest membership to date (100+ members) BUT Blendon Township has over 1,700 households. Think about the change we could have as a township if all 1,700 residents would become members; it's only \$15.00 a household, per year.

Vice President's Report-Brian McMahon thanked everyone who was attending in taking out time in their busy schedules to be a part of the association. He commended those who were association members. He stressed the pride and community in being a member of the Huber Ridge Area Association.

Secretary's Report- Era McMahon asked to dispense with the reading of the minutes from September. Carolyn Cordray made the motion, Jim Welch seconded.

Treasurer's Report-Brent Sheffer was not able to attend meeting
