## NEIGHBOR OF THE MONTH

Our Neighbor of the Month is Margaret Littleton who lives at 10401 Going Court. Margaret moved here from Ohio to work at the Ford Truck Plant which she has retired from after 30 years of service. She is originally from Bude, Mississippi.

Margaret attends Cable Baptist Church, has one son, a Barber here in Louisville, and one foster son that is about to attend Ballard High School. She also has 5 sisters and 3 brothers.

She loves interior decorating, shopping, traveling, and talking on the phone. Some of you may have noticed Margaret sitting in her garage as you first enter the subdivision, almost always with the cell phone to her ear.

She has been a great asset to our neighborhood because she has volunteered to have the lights at the entrance plugged into her outlet which has saved us a great deal of money. She and her foster son also help take care of the flowers in the entrance and we really appreciate that !

PLEASE REMEMBER...

- **Please refer to the Deed Restrictions and By-laws if you are planning on changing anything on the outside of your home.**
- Our community participates in the Neighborhood Watch Program. If you would like more information on this program, please contact Tom Rueff at 429-8709 .
- The speed limit is 15 MPH in our neighborhood.
- **Please store your garbage cans in your garage or on the side of your house.**
- Solicitation is not permitted in Bay Colony. We have signs posted at the entrance to the subdivision but if someone should knock on your door, kindly let them know of this policy.
- **Do not park your vehicle on your lawn as it violates Louisville Metro ordinances. Please park in your garage or driveway whenever possible but if you must park on the street, be considerate of your neighbor and park in front of your house, not theirs.**
- Please keep your pets on a leash and clean up after them.

A Letter from Mrs. Ellis' Family

We would like to thank the Bay Colony Homeowners Association for remembering Jean Ellis (our mother) who resided at 10420 Going Court. Tom Rueff and Janice Perellis—the beautiful arbor is a living memory of our mother—thank you for your love ! To those who sent donations to Hospice of Louisville in memory of our mother—she was a hospice volunteer for 18 years. Thanks to all who sent the sympathy cards—they were appreciated by us at a very difficult time in our lives. You're an awesome bunch of neighbors and again we want to say “ thank you”.
