President's Letter

Greetings and I hope everyone is having a great New Year. So far as of this writing we have had one occurrence of ice and the stop signs were salted immediately. Just remember when it snows, do not park on the street because our contractor has a large plow that he uses. I would officially like to thank Ms. Blewett, Jonas and Mr. Mitchell for their years of service to the Board. Look for some upcoming changes to the main entrance sign area and the entrance to section 6. As you may have noticed we have returned to the old style Apple Core for 2 reasons. 1. So that we may have more hands on control of what is printed. 2. The cost savings can be used in other areas including Future Projects. Be Safe.

Regards,  
David Steff  
President

V- President's Letter

Greetings, Apple Valley Residents. It has been a pleasure to serve as the President for the past 3 years. We as board members have accomplished much, during my tenure as President. I am confident in the new president David Steff that the committee will continue to strive forward with making Apple Valley, one of the best neighborhoods in this community. As always watch out for your neighbors, watch your speed in the neighborhood and any unusual behavior. I pray that you will have a prosperous and healthy New Year.

Sincerely,  
Roderick Davis,  
Vice President

Block Watch We are asking that everyone please get involved. This can work with some effort from everyone. Start by getting to know your neighbor and what is going on in and around your area. We need several people to help get this block watch going. Please contact Jay Curtis at [jayandcil@hotmail.com](mailto:jayandcil@hotmail.com) or any current officer.
