• US 6/Wadsworth
• Calendar of Events
- Pg. 4 • Two Creeks Section Leaders

Two Creeks Neighborhood Organization strives to keep the Molholm Area (Wadsworth to Sheridan, 6th Avenue to Colfax) one which represents a positive, community oriented atmosphere based upon building and maintaining a healthy image. Two Creeks Neighborhood Organization encourages a sense of community pride, provides a positive influence for citizens, protects the neighborhood environment from negative impacts, and maintains public open space.

TWO CREEKS ANNUAL MEETING

Another year has gone by and it is time again for the Two Creeks Annual Neighborhood meeting. The meeting will be Tuesday October 7th at 7:00 PM to be held in the library of Molholm School at 9th & Harlan. We invite and encourage all residents and business owners of the Two Creeks Neighborhood to attend this annual meeting to learn more about your neighborhood and how you can be involved.

Some of the items scheduled are election of officers and section leaders, discussion of neighborhood issues, and an update of our work over the past year. Reports will be given by Lakewood City personnel, Ward 2 Councilors and Lakewood Police. This is an appropriate time to bring forth your ideas, concerns and questions.

If you would like to become more involved in your Two Creeks Neighborhood and have your name added to the ballot for consideration for officer or section leader, please contact Maddie Nichols (303)237-0054 or Kathi Hasfjord (303)237-7946 by October 2, 2007. We always welcome your interest and involvement in YOUR NEIGHBORHOOD!

DATE: Tuesday, October 7, 2008

TIME: 7:00 pm

PLACE: Molholm Elementary School,
6000 West 9th Ave.

Molholm welcomes new faces this year

Molholm Elementary School has two new faces this year. Joan Chavez has transferred to Wheat Ridge Middle School as their principal. We wish her all the luck in her career change. She was with Molholm since her student teaching days.

The new principal is John Jadorazio. He was originally from Philadelphia and moved to Colorado 13 years ago. He has 4 children – from a senior in high school down to a kindergartener in Molholm. This is his second year in Jefferson County after teaching 10 years in Denver. His email address is jadorazio@hotmail.com.

The new assistant principal is Andrew Zapotoczny. He has lived in Jefferson County 3 years (born and raised in Virginia). He came from Wheat Ridge Middle School and Jefferson High School as instructional coach and as assistant principal at Wheat Ridge Middle School. He is married to Katie (his parents were both educators). His email address is zapotoc@jeffco.k12.co.us.

We welcome both to our neighborhood.

SPOTLIGHT ON WESTSIDE CYCLING AND FITNESS

A big Lakewood welcome to Bob Garcia and Michael Gibson, partners in the recent purchase of Westside Cycling and Fitness. Bob & Michael both have experience in competitive cycling. The historical excellence of Westside Cycling continues with the arrival of these two devotees of cycling. Stop by 7310 West Colfax and meet the bike people.

Please give a salute and job well done to Doug Stiverson – previous owner of Westside Cycling. Doug's unending support and efforts to improve the environment of West Colfax are legendary. All parties advocating a better West Colfax owe Doug a big **THANK YOU!**

TWO GREEKS ANNUAL SAFE HALLOWEEN INFORMATION AND TIPS

**Trick or Treating from 5:00pm- 7:30pm
Friday, October 31, 2008**

We're looking for Ghost Posts again this year! It's simple to do! Just bring out your treats, some chairs and sit in your lawn or driveway between the hours of 5:00-7:30pm on Halloween. Why? You provide an adult presence and a level of safety for the little spooks roaming around, and it discourages pranksters who may be out to cause Halloween mischief. You might even meet some of your neighbors at the same time! For more information call Deb Jones at 303-237-5912.

Tips for a Safe Halloween

- ☺ Offer only prepackaged or non-edible treats
- ☺ Have your porch or "Ghost Post" well lit
- ☺ Use extreme care with candles, or use another source to light pumpkins
- ☺ Wear safe costumes: make sure you can see, be seen, and walk or run safely
- ☺ Trick or treat in groups, with an adult
- ☺ Have parents check all treats before eating any

Report any harassment or non-emergency behavior to Lakewood Police at 303-987-7111. Report serious crimes to 911.

Please observe our Halloween curfew and finish trick or treating by 7:30 pm

THE LIGHTING CONTEST
IS ALMOST HERE

The TCNO board does not know if they will have enough money this year to do another newsletter before the end of the year BUT THE LIGHTING CONTEST IS STILL ON. Lighting contest applications will be emailed out to those on our list. If you want an application, please contact us at tcno123@yahoo.com or call and leave your name and address at 303-987-7002 ext.2002.

MONEY - MONEY - MONEY

We continue to beg for dollars to send out our newsletters. We are pleased with the number of email addresses we are receiving and that is helping a lot. We just have many households that do not have email and we want to keep them up to date as to what we are doing. Please think of us and send a donation to:

Two Creeks Neighborhood Org.
POB 147081
Edgewater, CO 80214-7081

Also, if you have internet access, keep those email addresses coming!

Welcome!

Welcome to Marcia Frickey who just moved into Section 7. We hope you enjoy Two Creeks!

Calendar of Events

| Date/Time | Event | Place |

| <i>TCNO Board Meeting Attendance is by invitation only. If you wish to attend, please contact your section leader. Phone numbers are listed on the back.</i> | | |

US 6/Wadsworth Environmental Assessment Update

The Colorado Department of Transportation (CDOT) is studying improvements to the US 6/Wadsworth interchange and to Wadsworth between 4th and 14th Avenues. CDOT held public meetings in April and May to present the preferred alternative for the interchange and Wadsworth Boulevard.

The preferred alternative would construct a diamond interchange at US 6 and Wadsworth, with a new loop ramp in the northwest quadrant of the interchange to accommodate traffic moving from westbound US 6 to southbound Wadsworth. Wadsworth between 4th and 14th Avenues would be widened to six travel lanes in each direction, and would include a raised median and detached sidewalk.

Another public meeting in June presented proposed locations of new noise walls along US 6 between Wadsworth and the businesses at Garrison Street. The primary results of the three meetings were public support for and

confirmation of the preferred alternative and the proposed noise wall locations.

In mid-June, CDOT mailed a project atlas to property owners who may be impacted by proposed improvements, and invited those owners to contact the project team to discuss the potential impacts to their properties. About 35 property owners contacted the team.

The project team is now in the process of assessing the impacts of the preferred alternative. Impacts will be documented in an environmental assessment, which will be published for public review and comment in winter 2009. A public hearing will be held after the document is published. Once funding for the project is allocated, a final decision document can be issued, and the project can proceed to final design and construction. For additional information on the study, please visit the project website at www.US6Wadsworth.com.
