To: Trails End Homeowners Association Members

The First Annual Homeowners Association Meeting was held on March 24. The purpose of this first meeting was the election of a Board of Directors. Since this was the first meeting and the first election it was decided to have the meeting facilitated by a third party, John Mahan, to ensure that all the proper rules were followed. John is an attorney here in Ellijay. The new Board members, and their contact information, elected for a one year term are:

There are a lot of areas to address as we transition responsibilities for the Trails End Subdivision from the Developer, Dave Isom, to the Association. The Board has started this transition process and is looking forward to the challenges ahead. We will keep you posted on the progress as we move forward.

One of the first items we are working on is updating the contact information for all of the Association members. We have gotten all of the addresses but like to have home phone numbers, cell phone numbers and email id's for all of the members also. Please take a moment to provide that information to myself or any of the Board members if you feel comfortable doing so.

**TRAILS END SUBDIVISION CLEAN-UP DAY.**

Please mark your calendars for Saturday, May 26. We will be holding our first annual subdivision clean-up day. Plans are to pick up any trash along the subdivision streets, trim bushes and shrubs around the clubhouse, wash the clubhouse windows, officially open the pool, etc. The day will end with a social hour and cook out at the clubhouse.

Please plan on meeting at 1:00 PM at the clubhouse to sign up for your clean-up duty preference. Any tools or equipment that you can bring to assist with the cleaning and trimming will be appreciated. The cook out will be "bring your own" food and drinks – a grill will be available at the clubhouse. Hope you can all make it.

If you have any questions, comments, etc, please feel free to contact myself or any Board member and we see that they are addressed by the Board. I look forward to getting to know all of you better.

Sincerely,

Dan Herrygers  
President, Board of Directors
