# Meet your Neighbors

(Editor's Note: this column is intended to help you get to know more of your neighbors.)

**Section I - Matt and Diana Hupe** claimed 7422 Oxford Court as their new home about two years ago. They have been joined by Sam, almost 2, and Addison, 3 months old. Babe, their beagle, hold seniority over the kids as a 7 year old! Matt is part of his family's insurance company, Hupe Insurance, on Stellhorn Road. Diana is a Registered Nurse at DuPont Hospital.

**Section II** – About 10 years ago, Margie Timbrook moved onto Derby Lane and she says, “I love my neighborhood!” Margie is the treasurer of the Villa, a Komet hockey fanatic, as well as an Atlanta Braves fan. She keeps busy with four children, nine grandchildren, one great granddaughter on the way, and three great-grandsons.

**Section III** “I love this neighborhood,” says **Helen Carr** of 2332 Kerrigan's Way. She's been Kensington Downs about 5 years, so she should know! Helen is the retired Director of Patient Registration at Lutheran Hospital, where she took care of patients for 26 years. She is joined at home by her dog, Molly, while she enjoys puzzles, reads, and keeps up with seven grandchildren and nine great-grandchildren.

**Section IV – Karen and Phil Clelland** live at 2204 White Plains Court. Phil is a former IRS Criminal Investigations Agent and now works at the Federal Building. Karen says, “He also plays the piano!” Karen is a Social Security Division paralegal analyst for the Disabilities Division. She is also President-elect of the IPFW Alumni Board. The Clelland's built their home in 1993.

*There is no Section V in Kensington Downs.*

**Section VI** – Have you noticed all the beautiful flowers in the yard of 7225 Bent Willow? Those belong to **Greg and Julie Goodwin**. They are the parents of four children: Bethany 20, Andrew 18, Zachary, 16, and Emily, 13. Greg is a captain at the Lahmeyer Road Fire Station, and Julie does professional calligraphy and engraving in their home.

**Section VII** – Connor, 11, and Allie, 7, and their parents **Deana and Austin Asbury** have lived at 2120 Brimfield since 2004.
