

Texas Highway Emergency Number

Phone for emergency assistance on the road

It is important for everyone to know that there is an emergency phone number on your Texas Driver License.

This is something all Texans should be told, especially since it has received very little publicity.

Your Texas driver license has a phone number on the back, just above the bar code on the lower left side:

1-800-525-5555

(It's VERY SMALL PRINT, but it IS there.)

This number can be called for emergency assistance on the highway or wherever you might be have trouble while in your car.

A state-sponsored service truck may be sent to you, courtesy of our tax dollars . . .

Or a state trooper may be sent to make sure all is well . . .

If you ever have a problem while in a car, or are ever stranded, call the number on your driver license for help

Put this number (1-800-525-5555) in your cell phone . . . and remember – and remind others to remember – that your Texas driver license gives you a phone number to call in case of emergency.
