Subject:

Birdshill Area Population Figures

Category(ies):

1. Birdshill area population.
2. Land Use
3. Infra Structure (Roads, Rails, Sewer, Water)

Abstract:

Birdshill area resident's face-increased population due to Metro Code Chapter 3.07, and Lake Oswego comprehensive planning. Birdshill area residents have been discriminated against in potential seats on multiple committees that have recommended policy with respect to our area. There will likely be severe impacts upon the quality of life as it exists in 2007. In addition the infill densification costs that may be mandated to support a federal Full Funding Agreement to get funds for a streetcar extension from Portland at Bancroft street have not been disclosed in any meetings of LOPTTAAS up to 2007 Mar.

Summary:

1. **Question about population figures for Birdshill area, years 2000, 2005, 2025 & 20??.**
2. **Request to develop relationship between population figures from 2000 US Census for Birdshill area and other infrastructure figures such as TAZ, EDUs and others unknown.**
3. **Place the developed relations in public repositories for use by all citizens.**

Note:

TAZ = Transportation Analysis Zones
EDU = Equivalent Dwelling Units
