Dear Sir or Madame,

I am writing to confirm Willard Neighborhood Association's participation as community partner and lead applicant for the project entitled "Willard Neighborhood Association/ The Berkeley Project, ASUC" that will help revitalize the public spaces of our neighborhood and other neighborhoods in Berkeley. We look forward to working with our UC Berkeley partner, The Berkeley Project, ASUC on developing this project over the next two years.

The ASUC will be the fiscal agent for this project, but we have submitted our tax ID number and a copy of our bank statement as part of the proposal packet. We realize that the application asks us to submit a budget, balance sheet, or Form 990 for the current and past fiscal year and we hope the information we can supply will suffice. The ASUC, as the fiscal agent for any funding received for the project, will provide a Form 990 for your review.

If you have any questions regarding our participation, please feel free to contact me.

Thank you for your consideration.

Sincerely,

Vincent Casalaina
President, Willard Neighborhood Association
