

May 2009 Southeast Community Policing Forum

Wednesday, May 27, 2009
Time: 6:00 PM—8:00 PM
Southeast Precinct
4735 East Burnside

Since this is likely the last Community Policing Forum meeting here at Southeast Precinct, the meeting agenda will be a *little different*. There will still

be the regular check-in and updates from the Precinct, NRT, Crime Prevention, District Attorney and the Community.

There will also be an opportunity for new precinct alignment information and staffing updates for NRT, Crime Prevention and the District Attorney. Any information regarding Central Precinct and/or East Precinct Public Safety meetings will be provided.

Finally, we will recognize and celebrate the great community policing collaborations, partnerships and projects that both the precinct and the community have shared. This occasion will be noted with a pizza party complete with refreshments.
