- Walkers may be walking in sunny, hot, wet and dirty conditions and possibly around heavy brush. It is strongly recommended that you wear the proper attire for these conditions including closed shoes, sun screen, hat and bug repellent.
- No consumption of intoxicating liquids, beverages, or illegal drugs will be allowed during the event or on the church property.
- Avoid areas where snakes, fire ants or other natural inhabitants of the walk area may be present. If you encounter domestic animals the best policy is to avoid them and leave them alone.
- It is recommended that walkers walk in pairs or groups. If walking alone, please keep yourself in a visible area at all times so other walkers may be alerted in the event that you have an emergency.
