

### 7.35.010(B) R.M.C.

#### General Noise Regulations

*(A Private Person's Arrest is not needed for enforcement of this section)*

B. It is unlawful for any person to permit any noise disturbance that is plainly audible under the following conditions: (1) across property boundaries; (2) through partitions common to two residences within a building; (3) at a distance of 50 feet in any direction from the source of music or sound between the hours of 7:00 a.m. and 10:00 p.m., or (4) at a distance of 25 feet in any direction from the source of music or sound between the hours of 10 p.m. and 7:00 a.m. The following acts, among others, are declared to be disturbing, excessive and offensive noises in violation of this section:

#### 1. Radios, Television Sets, Musical

##### Instruments and similar stationary or mobile devices:

Operating, playing or permitting the operation or playing of any radio, television set, audio equipment, drum, musical instrument, or similar device which produces or reproduces sound in such a manner as to disturb the peace, quiet and comfort of neighboring residents or persons of normal sensitivity.

#### 2. Loud Speakers (Amplified Sound):

Using, or operating, or permitting to be used or operated, for any purpose, any loud speaker, loud speaker system, or similar device such that the sound there from creates a noise disturbance across property boundaries, or at any time exceeds the maximum permitted noise level for the underlying land use category, except for any non-commercial public speaking, public assembly or other activity for which a variance has been issued.

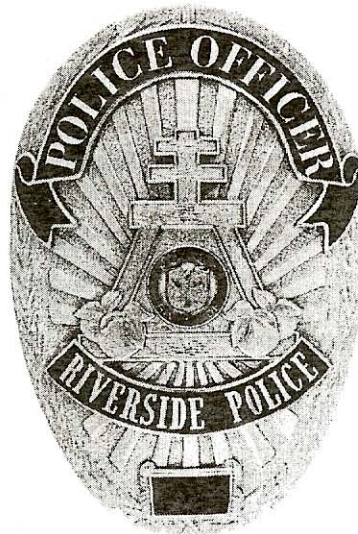

#### **Section 415 (2) P.C Disturbing the Peace**

*(Reporting Party must be willing to sign a Private Person's Arrest for enforcement of this section)*

Any person who maliciously and willfully disturbs another person by loud and unreasonable noise.
