of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance), for each Lot owned by any such Owner, hereby covenants and agrees and shall be deemed to covenant and agree to pay to the Association (or to a mortgage company or other collection agency designated by the Association) annual assessments or charges, to be paid on June 1 of each year (hereinafter called "Annual Payment Dates") or in such other installments as the Board of Directors of the Association may elect. The annual assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon each Lot against which each such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be the continuing personal obligation of the person who was the Owner of such Lot at the time when the assessment became due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the care, preservation, supervision, improvement and maintenance of the Common Areas and of the improvements situated thereon including, but not limited to, (i) the payment of taxes on and insurance in connection with the Common Areas and the repair, replacement and making of additions thereto; (ii) paying the cost of labor, equipment (including the expense of leasing any equipment) and materials required for, and management, supervision, maintenance and repair of, the Common Areas, including without limitation, the storm water detention basin and control structures, and of any existing and future recreational lakes together with any outlet and water level control structures and of the park area and improvements situated thereon, (iii) carrying out the duties of the Board of Directors of the Association as set forth in Article VIII hereafter; and (iv) carrying out the purposes of the Association as stated in its Articles of Incorporation.

Until such time as the Declarant has conveyed all of the Common Areas to the Association (and thereafter as additional Common Areas are added hereunder and not conveyed to the Association), the Declarant shall have, at its election, the sole responsibility and duty of improving and maintaining the Common Areas (or such portion thereof that has not been conveyed to the Association), including but not limited to, the payment of taxes on and insurance in connection with the Common Areas (or the portion thereof that has not been conveyed to the Association) and the costs of repairs, replacements and additions thereto, and for paying the costs of labor, equipment (including the expense of leasing any equipment) and materials required for, and management and supervision of, the Common Areas. In this regard, and during such period, all assessments, both annual and special, collected by the Association shall be forthwith paid by the Association to Declarant, to the extent that such assessments are required by Declarant to improve and maintain the Common Areas as set forth in this paragraph. The Association shall rely upon a certificate executed and delivered by the Declarant with respect to the amount required by Declarant to improve and maintain the Common Areas hereunder. Any sums required by Declarant to improve and maintain the Common Areas, in excess of the assessments collected by the Association, shall be borne and paid exclusively by Declarant.

After Declarant has conveyed all of the Common Areas each Lot owner agrees to pay to the Association, the annual assessment chargeable to each lot on or before July 1, 1994. The annual assessment shall be a charge on the land, commencing with the year ending December 31, 1993, and shall be a continuing lien upon each lot against which each such assessment

is made. The Assessment so levied by the Association shall be available for use for the care, preservation, supervision, improvement and maintenance and the operation by the Association of the storm water drainage system, and of any existing and future recreational lakes or Storm Water Detention Basins together with any outlet and water level control structures, and of the park area and improvements situated thereon, including but not limited to: (1) the payment of taxes and insurance in connection therewith; (2) the repair, replacement and making additions thereto; (3) the payment of costs of labor and equipment and materials required, and management, supervision, maintenance and repair, and may also be used for such other community purposes as the Association may properly determine. The Association shall be obligated to maintain, repair and/or replace, if necessary, the storm water drainage and any future Storm Water Detention Basins together with any outlet and water level control structures, the cost of which shall be borne by the Association.

The owner of any lot in this section, or any future section, of Eagle Lake, and/or the Allen County Drainage Board, or its successor agency, shall have the right to order the Association to carry out its obligation to maintain, repair and/or replace the storm water drainage system and any recreational lakes or Storm Water Detention System Improvements, as above provided, and to assess the Association Members with the cost thereof.

#### Section 4. Basis and Amount of Annual Assessments.

(a) Until the year beginning January 1, 1994, there shall be no annual assessment.

(b) Commencing with the year beginning January 1, 1994, and each year thereafter, the Board of Directors, at its annual meeting next preceding such January 1, 1994 and each January 1 thereafter, shall set the amount of the annual assessment for the following year for each Lot, taking into consideration the current maintenance costs and the future needs of the Association, provided that the annual assessment shall never be less than \$60.00.

Section 5. Capital Improvements. In the event any annual assessment includes an amount for the purpose of defraying, in whole or in part, the cost of a capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto, that portion of any such assessment relating to the capital improvement(s) must have the assent of the Members entitled to cast a majority of the votes of the Members of the Association who are voting in person or by proxy at a meeting duly called for this purpose, as provided in Section 3 of Article VII.

Section 6. Uniform Rate of Assessment. Subject to the provision of Section II of this Article VI, both annual and special assessments must be fixed at a uniform rate for all Lots.

#### Section 7. Date of Commencement of Assessments: Due Dates.

(a) The initial annual assessment provided for in Section 4 of this Article VI shall commence on the date fixed by the Board of Directors of the Association to be the date of commencement, and shall be payable annually, in advance, on each Annual Payment Date thereafter; provided, however, that if the date of commencement falls on other than the first day of a

month, the assessment for such month shall be prorated by the number of days remaining in the month.

(b) The due date or dates, if it is to be paid in installments, of any special assessment under Section 5 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board of Directors with Respect to Assessments.

(a) The Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner.

(b) Written notice of the assessment shall thereupon be delivered or mailed to every Owner subject thereto.

(c) The Board of Directors shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment had been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid. A reasonable charge may be made by the Board of the issuance of such certificates.

Section 9. Effect of Non-Payment of Assessment; The Personal Obligation of the Owner; the Lien; Remedies of the Association.

(a) If any assessment or any part thereof is not paid on the date(s) when due (being the dates specified in Section 7 of this Article), then the unpaid amount of such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot of the non-paying Owner which shall bind such Lot in the hands of the then Owner, his heirs, executors, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them. Then lien for unpaid assessments shall be unaffected by any sale or assignment of a Lot and shall continue in full force and effect. No Owner may waive or otherwise escape liability for the assessments provided herein by non-use of the Common Areas or abandonment of his Lot.

(b) If any assessment or part thereof is not paid within thirty (30) days after the delinquency date, the unpaid amount of such assessment shall bear interest from the date of delinquency at the maximum legal rate of interest, and the Association may, at its election, bring an action at law against the Owner personally obligated to pay the same in order to enforce payment and/or to foreclose the lien against the property subject thereto, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint (including reasonable attorneys' fees) in such action and, in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorneys' fee to be fixed by the court, together with the costs of the action.

Section 10. Subordination of the Lien to Mortgages.  
The lien of the assessments provided for herein shall be subordinate and inferior to the lien of any mortgage or deed of trust now or hereafter placed upon the Lots subject to

assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale, whether public or private, or such property pursuant to the terms and conditions of any such deed of trust. Such sale shall not relieve such Lots from liability for the amount of any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein:

(a) All properties dedicated and accepted by the local public authority and devoted to public use.

(b) All Common Areas as defined in Article I hereof.

(c) All areas reserved by the Declarant on the recorded plat of the Properties.

(d) All Lots owned by Declarant until January 1, 1992.
