

## *Neighborly Requests*

*September 5, 2010*

Please be courteous of others in our community by accommodating these simple requests:

### ➤ **Parking**

Please do not park your vehicle on the road over night or block the sidewalks.

### ➤ **Sidewalks**

- Please maintain plants and tree growth around sidewalks to prevent blocking the walkway. Please trim overhanging tree branches, providing a minimum clearance of 6 ft above the sidewalk.
- Please periodically pressure clean the sidewalks adjacent to your property. **(Some sidewalks have hard water deposits that become slippery when wet and pose a safety hazard.)**
- Please adjust sprinkler heads away from sidewalks and streets.

### ➤ **Mailboxes**

Please maintain the condition of your mailbox.

- Clean or repaint periodically.
- Fix or replace boxes that are in need of repair.
- Reset mailboxes that are tilting or hanging out over the road.

### ➤ **Common Areas**

Please do your part in keeping our common areas clean and free of litter.

Thanks for helping to keep our community one of the most desirable neighborhoods to live in Indian River County
