

October 9, 2010 Picnic/Meeting

The weather was perfect and many families enjoyed the afternoon at the neighborhood park to learn more about the Association business, to receive information from our community liaison officer, Markus Smith, with KCPD, and to enjoy a meal. Thanks go out to Becky Freeman for the entertainment and to Nancy Flynn, and Steve and Linda Espeer for organizing and setting up for the meeting and picnic.

The bounce house and the cotton candy machine rented for the afternoon were quite a hit with the kids.
