

Tampa Homeowners, an Association of Neighborhoods

February 2, 2011

THAN People:

The next THAN Meeting will be held on Wednesday, February 9, 2011, from 6:30 till 8:30 p.m. at the Loretta Ingraham Center in West Tampa, 1615 N. Hubert Ave, Tampa 33607.

At this meeting, we feature a Meet & Greet with the candidates for mayor and city council in the election of March 1, 2011. As we want this to be a neighborhood conversation with these candidates, I am sending this information only to the **THAN Representatives and the Presidents of THAN associations**. We would like to have at least 2 members from each THAN association attend, preferably the Representative and the President, and maybe one or two or so more. But we want to keep the audience small and representative of the neighborhoods of the city.

The planning committee has set the agenda to have us meet the mayoral candidates from 6:30 till 7:30 and the council candidates from 7:30 till 8:30. As you recall with these centers, we must vacate the building within a few minutes after 8:30. To insure an orderly meeting, please submit your questions in advance to **Sue Lyon, 964-6413, or sue.lyon1@gmail.com**. Time permitting, questions may asked from people from the floor. Time is very limited, so please keep your questions brief, preferably questions that can be answered by a "yes" or "no". Each candidate will be timed for his/her response. I have included a list of candidates with this announcement. Please bring a copy so you can know who is running for what.

I am sending the final draft of the January Meeting. Thank you Wofford for expanding the information about Tree Watch.

THAN Web Master Wofford Johnson has **revised the THAN web site**. He would like us to look at it and send him comments. The address is www.tampathan.org.

If you are no longer the THAN Representative of your organization or if someone else should also receive these announcements, please give me names and addresses (e-mail addresses preferred).

Remember that the Office of Neighborhood & Community Relations keeps a calendar of events on their web site: www.tampagov.net/neighborhoods. Inform them of your neighborhood activities and consult the calendar to see what others are doing. Further, it is important that your association be listed on the Neighborhood Registry and that its information is kept up to date.

Sincerely yours,
