

Neighborly Requests

February 20, 2011

Please be courteous of others in our community by accommodating these simple requests:

➤ Parking

- Please do not park your vehicle on the road overnight or block the sidewalks.

➤ Pets

- Please abide by the leash law in our community and please pick up after your pets.
- Please control barking dogs to avoid disturbing your neighbors.

➤ Post Lights

- Please ensure that your front post light remains ON at night.

➤ Mailboxes

Please maintain the condition of your mailbox.

- Clean or repaint periodically.
- Fix or replace boxes that are in need of repair.
- Reset mailboxes that are tilting or hanging out over the road.

➤ Lawn Care

Once again, the winter cold has been tough on our lawns. An application of a quality weed and feed product such as "Scotts Weed & Feed" followed by a thorough watering can help control weed growth and maintain a nice green lawn.

Thanks for helping to keep our community one of the best places to live in Indian River County
