

B THAN H  
Tampa Homeowners, an Association of Neighborhoods

September 2, 2009

THAN People:

The next THAN Meeting will be held on Wednesday, September 9, 2009, from 7:00 till 9:00 p.m. at Union Station. The Agenda is included with this announcement.

I am sending the final draft of the August Minutes. Thank you, Wofford, for correcting Items 5, 6, 11, 12 and 14. It really helps to have someone watching to make sure the minutes are accurate.

I am also enclosing the suggestions of THAN's Zoning Committee on Chapter 23.5, the Civil Citation Process. The committee examined this carefully in long discussion. We promised City Council, which graciously allowed us time to consider them, our suggestions soon after our September Meeting. Please read them as they will be a major discussion at the September Meeting.

Notice also that the Mayor's usual September meeting with THAN has been postponed till October 21 at the Loretta Ingraham Center. As noted above, our meeting of September 9 will be at Union Station.

THAN President Wofford Johnson has set up a THAN web site on the Neighborhood Link. The address is [www.tampathan.org](http://www.tampathan.org). Please look at it for information of interest to us all. Contact Wofford to praise or suggest modifications. **THE THAN WEB SITE HAS BEEN UPGRADED. PLEASE LOOK AT IT!**

If you are no longer the THAN Representative of your organization or if someone else should also receive these announcements, please give me names and addresses (e-mail addresses preferred).

Remember that the Office of Neighborhood & Community Relations keeps a calendar of events on their web site: [www.tampagov.net/neighborhoods](http://www.tampagov.net/neighborhoods). Inform them of your neighborhood activities and consult the calendar to see what others are doing.

Sincerely yours,
