

Have you had some work done on your house?

What did you think about the job the contractor did on your house? (excellent, good, so so, very bad). Please send me information on contractors so that I can prepare list so that anyone needing the same type of work done can get a referral list from me. Also, let me know if you do some type of home repair work. If you prefer, please complete the form below and forward to: Theridgehoakc@yahoo.com or drop in the box at 10201 Shadowridge Drive.

Thanks, Jana Taylor
