Dear Rick,

On behalf of the Board of Directors of the Dixieland Neighborhood Association, I am writing this letter to confirm our acceptance of the recommendations you presented at our October 18th meeting. We are in agreement with the solutions you offered to solve the ongoing traffic problems we have in this neighborhood.

We are grateful to you for the attention you have paid to these issues and for the workable three-step program you proposed.

As a neighborhood, we all look forward to the implementation of your recommendations.

Sincerely,

A handwritten signature in cursive script that reads "Mary Smith".
