

THAN

Tampa Homeowners, an Association of Neighborhoods

November 2, 2011

THAN People:

The next THAN Meeting will be held on Wednesday, November 9, 2011, from 7:00 till 9:00 p.m. at Union Station.

Our guest at this meeting will be Lee Hoffman of the Riverwalk Project. We have asked Mr. Hoffman to discuss the present state of the Riverwalk in general, and, in particular, the suggestion by the Urban Architecture and Landscape Workshop that the downtown seawalls be removed.

I am sending the final draft of the October Meeting. It is the same as the draft I sent several weeks ago but for some minor modifications.

As I had been reminding for the past several months, the October Meeting marked the end of the grace period for membership renewal. Of course, former members are welcome to renew membership at any time. Now that the membership roll has stabilized for the year, I am turning over membership monitoring to Martha Jean Lorenzo, Chair of the Membership Committee.

THAN Web Master Wofford Johnson has revised the THAN web site, www.tampan.org. He would like us to look at it and send him comments. In particular, he invites member associations who are sponsoring neighborhood activities to inform him so that he can post the information on this web site. Contact him personally at wjohns7@tampabay.rr.com or (813) 837-8011.

If you are no longer the THAN Representative of your organization or if someone else should also receive these announcements, please give me names and addresses.

Remember that the Office of Neighborhood & Community Relations keeps a calendar of events on their web site: www.tampagov.net/neighborhoods. Inform them of your neighborhood activities and consult the calendar to see what others are doing. It is important that your association be listed on the Neighborhood Registry and that its information is kept up to date.

Sincerely yours,

Fredric Zerla, Secretary
