

Greetings Neighbors!

The City of Fort Wayne FencePost website is a wonderful way for neighbors to share ideas and stay current in their neighborhood “happenings”! It is “Neighbors talking to Neighbors”!

Contribute to Ideas – Post Announcements – Share Frustrations – Celebrate Good news! – All of this and more can be accessed on FencePost!

The City’s Neighborhood Associations have had great success with those who are currently using this site and as President of our neighborhood; I am encouraging all of you to join.

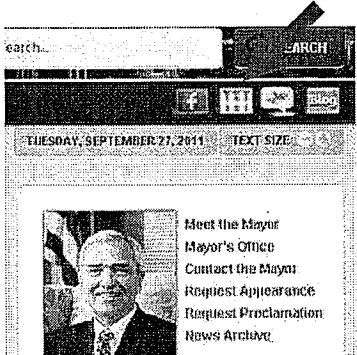

The City of Fort Wayne has over 400 active neighborhoods and this website lets you see what’s happening in your neighborhood and those around town.

Okay, let’s get started!

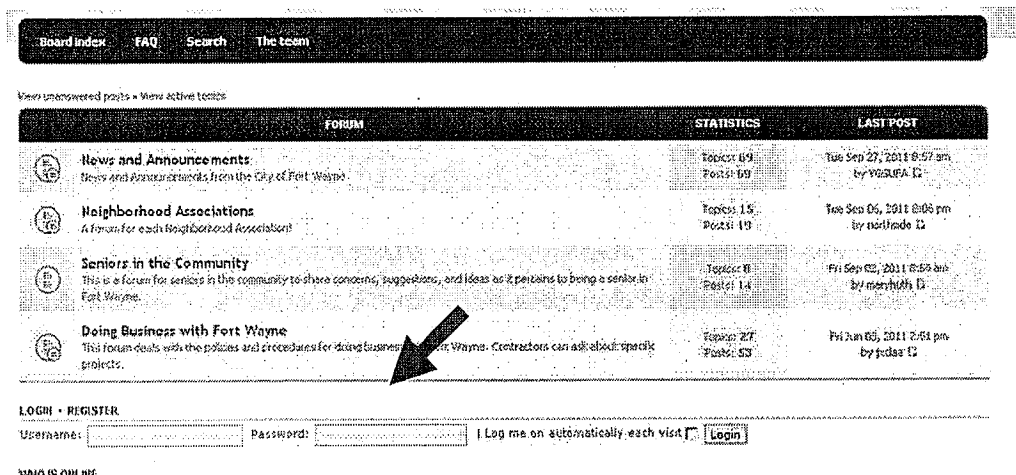

Below are the instructions on how to register and some “quick tips” for this website. Please do not hesitate to contact Mary Huth (mary.huth@cityoffortwayne.org) if you need further assistance.

To register at the new “City of Fort Wayne: Fencepost” website,

Either go to: <http://www.cityoffortwayne.org/fencepost> or go to the www.cityoffortwayne.org (which is the City’s web page) and click on the picture (icon) of the fencepost at the top, right side of the page.

Once on FencePost, you will see at the bottom of the home page an area to register. Click Register.

You will want to create a user name – we suggest your first name and Last initial to make it easy for others to identify you. Your password can be anything you want, but we suggest making it easy to remember.

Quick Tips for your registration:

Please register the first time you visit. After you agree to the site terms, you'll reach the registration page. Select a username and a password, and enter your email address. Your site password must be between 6 and 100 characters long.
