

Registration Information

All registration will be conducted through an online service.

To register, use your web browser to go to: <http://2012tlsc.eventbrite.com>

Registration fee is \$35 per person, which covers short course materials, breaks and lunch ...

.... plus a complimentary pass to the Tampa Bay Wholesale Growers Exhibition at the State Fairgrounds.

Same Great Location — in 2010 the Tree and Landscape Short Course moved to the Trinkle Center on the campus of HCC in Plant City. This newly completed and modern conference facility provides us greater programming flexibility and high quality and comfortable meeting rooms, all while keeping costs down and making these programs more affordable.

Support for this program comes from the Hillsborough County Extension Tree and Landscape Advisory Committee, the Hillsborough County Board of County Commissioners, the University of Florida IFAS, TECO, private business partners and your registration fee.
