ANNUAL MEETING

THURSDAY, NOVEMBER 10, 2011

GEORGETOWN LIBRARY

7 P.M.

President's Letter

There's been another change in venue for Board meetings. We've been meeting at Messiah Lutheran Church at the corner of Lahmeyer and Stellhorn. The webpage has listed the locations of the meetings. It's hard to find public rooms to handle all the people on the Board. Director Dan Springer is a member at the church, and he has helped us obtain rooms for the recent meetings.

One of the projects on our list this year was to replace removed trees along the street in the common area on Welshire. I took on that project and had planned to get them planted in the fall. When I went out shopping, the selection was pretty limited. I talked over the possible choices with a couple of professionals, and the limited selection put the project on hold until the spring. I'll get the trees planted in the spring, when trees start shipping again.

The annual meeting is coming up soon on November 10th. It will be held in the big meeting room at the Georgetown Library. Hope to see you there.

Bits and Pieces

The Board of Directors' schedule of meetings is as follows: annual meeting on November 10 at the Georgetown Library and November 16 at Messiah Lutheran.

One of our neighbors called me the other day suggesting I remind those of you who walk your dog(s) to carry a little plastic bag and pick up after your pet. Please be kind to your neighbors and help make their walk pleasant, too.

It's time for the city to do leaf pick-up. Dates for our neighborhood (central area) are October 31 through November 4 and November 28 through December 2.

Annual meeting materials will be mailed the week of October 24. This will include your directors' ballot.

Many thanks to those who deliver our newsletter to your home. They may be assisted by kids or spouses, but nevertheless I appreciate all the following: Julie Goodwin, Jerry Hoover, The Skees family, Amanda Freed, Deana Asbury, the Simon family, Kevin Holle, Pat Plazek, Rita Squadrito, and Nancy Louraine. Nancy also helps me stuff newsletters into the bags. Thanks, Nancy!
