### CRIME WATCH NEWS

Wednesday, May 23, an older husband & wife team (the man had bad front teeth), took a washer, dryer and copper plumbing fixtures from an empty house on Cardigan Rd. The purported thieves may have been driving a green pick-up truck. The couple stopped a neighbor going out to the mailbox and said they were in the business of cleaning out vacant homes and taking items to Good Will.

Be on the lookout for unknown vehicles in our neighborhood and in lieu of the above activity, watch around vacant houses. Get to know your neighbors and watch out for each other. Trust your gut...If you see suspicious activity call 911.
