From Tom Young - regarding Westchester Pool's 50th Anniversary Celebration

What a great, fun weekend! Thanks, everybody for coming. We had over 150 paid admissions on Saturday, and another 75 or so on Sunday. That, with our regular members and volunteers, I'm guessing we had 300 people at the pool Saturday and another 150 on Sunday.

Special thanks to the Rock Church Aviators for making sure enough people danced on Saturday night for us to drain 3 1/2 kegs of beer! And God bless our guards and manager **Liza Pierson Dorsey** for keeping everybody safe and helping out across the pool. Thanks also to the pool board and many volunteers who made this event happen. Maybe we should set a date for next year- any recommendations?

- ◆ **Note:** Thanks for all the contributions made toward Westchester Pool Fund!

Support the **Crooked Creek Farmer's Market** and community!

CRIME WATCH NEWS

- ◆ Chiltern - neighbor reported a Young Female driving a black Nissan tried to get in the front and back doors at 8025 Chiltern Dr.; took pictures thru the front and back windows, saw neighbor watching her get back in car, but did not acknowledge.
- ◆ Charlecot Dr. (800 Block) - Solicitor claiming to be an "ADT Security Representative" approached resident, began asking questions about property including if there were pets. "ADT Salesman" stated the special deal was only good that day, he was driving a white Toyota. ADT has the following statement about this type of scam posted at <http://www.homesecurityteam.com/ADT-Home-Security-Blog/new-home-security-scams-to-watch-for.html> :
- ◆ Cardigan - owner at 2810 Cardigan Rd. reported solicitors came to his door selling books and magazines. Owner of property stated they became angry when told of a "No solicitation " sign for our neighborhood posted at the entrance. The solicitors stated that a 2002 Supreme Court decision invalidated all such signs as unconstitutional." The facts:
 - *This ruling applies only to religious groups and for municipalities not neighborhoods
 - *No one has the right to enter your property without your permission, ask them to leave or have a sign posted for no soliciting; they must vacate your yard and property.
 - *IMPD recommends calling 911 immediately if you feel uneasy about anyone approaching your property.
 - *Solicitation is used as a cover for individuals casing properties, homeowner scams and attacks; be on the lookout also for your neighbors and call 911 to report.
- ◆ Chiltern/Cardigan - Mid July a new model red truck pulled into a vacant home at 8025 Chiltern, and then around the corner to another vacant property, broken into last month, (2801 Cardigan) again walked to back of property and around house looking in windows. 911 was called - when an officer arrived the vehicle and driver were gone.

The news reported a rise in break-ins at night and during daylight hours on the far North side. IMPD relies on residents to report activity. For solicitation and looking over property IMPD stated they would prefer you to call (911) so they may come out and get information to have on file if future problems arise.
