

Mosquito Spraying

In the summer newsletter, the article addressed the problem of West Nile Virus becoming epidemic in some states. The HA/LH Homes Association has been proactive in preventing the mosquito population in our neighborhood with periodic spraying. The following table shows the spray dates and times as of mid August.

1	Friday, 5-25-2012	12:40
2	Friday, 6-1-2012	12:00
3	Thursday, 6-7-2012	11:35

If problems persist in certain areas, homeowners should contact the homes association number to report it. Homeowners are responsible for taking care of their own property by:

- Dispose of tin cans, plastic containers, ceramic pots, and other water-holders on your property.
- Drill holes in recycling containers.
- Keep roof gutters clean and make sure they drain properly.
- Turn over plastic wading pools when not in use or empty twice a week.
- Aerate ornamental pools and water gardens.
- Maintain swimming pools and drain pools that are not being used.
- Use landscaping to eliminate standing water on your property.
- Change the water in your bird baths at least twice a week.
- Cover boats and wheelbarrows or store them upside down
