

Livingston Avenue Area Commission

Meeting Minutes

640 S. Ohio Avenue ~ Columbus, OH 43205

March 27, 2012 Executive Board Meeting

- 1) BS, CW
- 2) Discuss a way to distribute flowers and mulch being donated by NCH. Possibly create beds at the Rickenbacher House or along the freeway.
- 3) Discussed options for the CDC which involved taking over/renaming St. John's Community Board and convert to a CDC. St. John's would require 6 % of the funds slated for OO as administrative costs. OO would need to be in agreement with this proposal. Another option would be to create a CDC through Rickenbacher Woods or, option #3 would be to just use current St. John's as fiscal agent which would also require 6 % administrative costs.
