- NOTICE -

Bylaws of the Cannery Lofts Condominium Homeowner's Association - Article 7.5

[Restrictions and Requirements Respecting Condominium Property]

(d) **Animals.** No animals or fowls shall be raised, kept or permitted within the Condominium or any part thereof, except domestic dogs, cats and a reasonable number of other ordinary household pets kept within a unit. No such dogs shall be permitted to run at large, nor shall any dogs, cats or pets be kept, bred or raised for commercial purposes or in unreasonable numbers. Any inconvenience, damage or unpleasantness caused by such pets shall be the responsibility of the respective owners thereof, and owners shall be responsible for clean up and removal of wastes of their animals. No Rotweillers, Pit Bulls or Canary Island dogs are permitted within the Condominium. All pets shall be kept under reasonable control at all times and shall be carried or kept on a leash while outside a unit. Each Owner and occupant shall be responsible for seeing that his or her pets do not endanger health, make objectionable noise, or constitute a nuisance or inconvenience to the Owners and occupants of other units. The board of directors, after notice and a hearing, may require the permanent removal of any animal that the board determines to be a danger to the health and safety of any occupant in the Condominium, or otherwise to be a nuisance within the Condominium. The board may find that an animal is a nuisance if the animal or its owner continue to violate these Bylaws or the rules regulating pets after receipt by the Owner of a written demand from the board to comply with these Bylaws or the rules.

Dogs should not be allowed to relieve themselves in any planted areas associated with either Building A or B. Doggie bags should be used and sealed tightly before discarding in trash. Landscapers work hard keeping our planted areas maintained and beautiful. Dog urine is often harmful to plants and feces is unsightly, smelly and a health hazard.

Thank you for your consideration and cooperation .
