

# Country Lake Farm Swim and Tennis Association

## Website and Members Discussion Board Rules

Country Lake Farm Swim and Tennis Association (“Association”) has established a website for the service of its membership. This site and all content is owned by the Association through a subscription contract with Neighborhoodlink.com©. All rights are reserved by these parties as related to the website and services provided therein.

The website serves the purpose of providing a centralized area for information about our neighborhood for our homeowners, prospective homeowners, realtors, and other persons interested in living in or serving our community. There are both public and private sections to our site.

The “Public Access” side of the site allows for people to contact our Board of Directors or Community Leaders and to access basic information about our organization and the requirements for living here.

The “Private Access” side is for the Association to provide the membership with information related to the business of the neighborhood as well as other items of interest to the community. There is also a Community Discussion Board in the “Private Area” that allows the neighborhood to discuss things that are of importance to them as well.

The purpose of our Community Discussion Board is to provide an online forum for members to post and discuss a wide variety of topics that may be of interest to CLFSTA Members. The general public is not able to create or view postings.

The CLFSTA Community Discussion Board is not intended as a primary means of communicating with Board Members, Committees, or Members unless specifically intended in the directions of the topic. All direct business communication with those listed above should take place through other means such as mail, telephone, or e-mail.

The CLFSTA Community Discussion Board is not a place to report issues, lodge complaints, or make requests that would normally be directed toward Board Members, Committee Chairpersons, or Committee Members.

Posting to the discussion board is provided as a privilege to members of the Country Lake Farm. By creating an account, members agree to adhere to the “Rules” and to follow “Forum Board Etiquette”. Any posting to the discussion board may be reviewed or removed and/or access to the discussion board may be suspended if it is determined that the member fails to adhere to these provisions. (see Discussion Topic “Forum Etiquette” for details).

The Rules and Etiquette are subject to change and will be posted in the Discussion Forum for easy access.
