

Columbine Heights Owners Association Board Meeting Minutes 09-17-13

- Fox discussion: where are the fleas coming from...prairie dogs or most likely the foxes. How to get rid of them? The neighbors are showing concern. Should Animal Control or Dept. of Wildlife be called? This is not a CHOA issue but the sharing of information would be helpful. This can be put on the website.
- CHOA has minutes uploaded for 2011 - 2013
- Xmas party tentative date: Sunday Dec. 15 from 2-5pm if reservations are available at the Normandy Clubhouse.
- House on 12 Maclean: plans submitted and approved by ACC.
- Opinion letter needed from P. Danborn about which properties are in or out of the CHOA.
- The picnic was a big success...the catering great!
- Directory: still being proof read prior to going to printer.
- CHOA website: <http://www.columbineheights.org/>
