

Open House at KCPD

I wanted to invite you and your neighbors to take a tour of our station and the academy during an open house on Wednesday, November 20th. You can stop by the Shoal Creek Patrol Division Station any time between 4:30-6:30 pm and meet up with us in the Community Room, which is right off the lobby. We will be available to talk and answer questions and children are also welcome.

After the open house, we will have our normal monthly Cop Talk meeting from 6:30-7:30 pm in our community room. We will talk crime prevention tips on Operation Safe Holiday, review SCPD crime statistics and answer questions. Chief Forte will be at the meeting and light refreshments will be served.

Officer Cartwright and I hope you can make it!
