

Bus Rider Training

for seniors and people with disabilities

Seniors and people with disabilities often have limited possibilities for how to get around town. Sun Tran is a good option, but many have never ridden the bus before and don't know how to use the bus to get from one place to another. Sun Tran's Bus Rider Training is a great opportunity to learn how to ride the bus and to get to where you want to go. To help you feel comfortable riding the bus, the Bus Rider Training is run by a friendly and experienced Sun Tran driver. Our driver provides information on how to use Sun Tran's buses and bus routes, and answers any questions you have. The Bus Rider Training includes an interactive ride on a Sun Tran bus. The buses used for this training are not in-service, so you can take your time, get familiar with the bus, and ask as many questions as you'd like.

When: A date you determine with the Sun Tran Community Outreach Manager *Joanna – 520-206-8881**

For more information, call 206-8881. *Para recibir esta información en español, llame al 206-8881.*
Persons with disabilities needing accommodations or alternate formats, please call 206-8881 (TDD: 628-1565).
