

CITY OF WORTHINGTON HILLS

SPRING NEWS LETTER

Hello Neighbors, it was just a few short weeks ago that we were spreading salt and shoveling snow, thank God we made it to spring.

For most of us being a home owner is the largest investment we will ever make. For that reason we have a deed of restriction and city ordinances that not only protects our investment but will also help increase the value our properties.

Listed here are a few items that are in our city ordinances that protect the value of our property:

- Make speedy repairs
- Keep our lawns mowed
- Keep bushes and trees trimmed
- No parking in the grass

CITY WIDE YARD SALE

Saturday May 17 is the date of our spring yard sale. We will purchase an ad in the Courier Journal that will run for three days. Sunday May 18 is the rain date.

THE SALES PEOPLE ARE COMING, THE SALES PEOPLE ARE COMING!

We have an ordinance barring solicitors from the city. The only exception is from the US Constitution which allows religious organizations and people running for elective office to knock on your door. We are in the process of posting new and larger no solicitation signs. If a sales person does come to your door even with a Metro Louisville permit, tell them Worthington Hills has a ordinance against solicitation. I also suggest getting his or her business card or information to include business name, sales person name, and a phone number. Then call Metro Police 8th District at 502-574-2111 option 8 and make them aware of the problem.

CRIME PREVENTION

We continue to remind you, please don't feed the criminals. If you don't lock your doors they will come in and help themselves to your food and any other goodie they can get their little sticky fingers around like your large screen TV, computers, iPhone and cash.

CITY MEETINGS

I would like to welcome all to our monthly meeting. It is held the third Tuesday of each month at the Holiday Inn Express 3711 Chamberlain Ln. We start at 7:00 P.M.
