- A reminder that termite protection is not provided by the Homeowners Association. If you are interested in termite coverage for your condo, you should contract with the provider of your choice.
- Per our bylaws if you are renting your condo, please let the board of directors know the names and contact numbers/email for your renters. This information would be handy in case we need to contact residents as opposed to owners, especially in case of an emergency situation.
- It is the policy of the board of directors that all correspondence to homeowners via email be done so using the bcc line. It is our intention to never expose any homeowner's email address. We ask that all homeowners do the same.
