

MEMORANDUM

CITY OF CAMPBELL

City Manager's Office

To: Honorable Mayor and Council Members

Date: July 10, 2015

From: Mark Linder, City Manager

Subject: General Plan Advisory Committee Members and July 20th Participants

When Council voted to bring Rebecca Ryan in to lead a workshop on "Forecasting the Future", Mayor Cristina and Council Member Resnikoff volunteered to serve on a subcommittee to select community participants. Council also expressed a desire to have members of the General Plan Advisory Committee serve as the community participants. To achieve this, staff created an application that interested community members could complete and submit for consideration. Staff did an extensive outreach using the website, Facebook, NextDoor, Constant Contact list at the Community Center, the 355 Campbell residents who participated in the Innovation Academy research, and contacting various service clubs, the Chamber, and more.

We received 46 applications for the 17 seats. The subcommittee worked diligently for a number of hours. They selected the following:

Julianna E Martin	Cassandra A Bowers	Navneet Rao
Sheldon Shawn Ah Sing	Jim Michael Moffett	Jo-Ann Ash Fairbanks
Sarah Acosta Landry	Jimmy Zien	Richard Waterman
Joseph Hernandez	Gerry Uenaka	Nick Gamino
Kirk Heinrichs	Barry Shilman	Chris Bracher
Jennifer A. Liepis	Michael Barns	

The following were selected as alternates:

Elizabeth (Betty) Crane	Susan Landry (No relation to Sarah)
Jodie Chusid	Vikki Essert

The subcommittee took great care to select a diverse group; they are geographically diverse as well as diverse in age. Some have been involved with the Campbell community for many years, others are new to involvement, but have valuable skills and experience to contribute.

If you want to receive a soft copy of anyone's application let me know.

Joining those who are able to attend the July 20th workshop from the above list will be:

Council Member Gibbons	Council Member Resnikoff
