QUARTERLY MEETING SPEAKER

Councilman Mark Stonecipher will be our guest at the quarterly meeting on November 10. He will bring us up to date on what is going on in the City. Maybe you will have questions for him like the status of the new senior center on Rockwell; how and where the money recently designated for streets will be allocated; where is money being spent in our Ward 8?

SPRINKLERS

THANKS to all the early morning walkers who report to the office when they see broken sprinkler heads or water running or spraying in the street. We have had a lot of water pipes break this summer. Our grounds men say this is due, in part, to the clay soil being dry and then wet and the shifting of the soil breaks the pipes. Our sprinkler system is over 35 years old so we work on it almost every day to keep it going. We are discussing ways to improve the system. Some of the new trees we planted last year were kept alive by our grounds men carrying buckets of water because some areas have no water at all.

The Oklahoman delivers a free "Life & Style" paper to some of our homes. Some of these lay in the driveways and are not picked up. If you do not want this publication, call 478-7171 to stop it.

PROJECTS

We have been saving our funds for the third and final rebuilding of a cabana. The Dahoon Pool closed after Labor Day for reconstruction. The other two pools remained open through September. The patrons of the Dahoon Pool will have a like-new cabana when the pools open next spring.

POLICE PRESENCE IN SUMMERFIELD

We are fortunate to have the police station next to our community. They have always been responsive to our needs and will show a presence in our area when we need it. Sargent Robert Skalla is the Community Relations Officer at the Hefner Division Station. If anyone wants to show recognition to the police at the Hefner Station by a card, a small gift or just stop by and thank them for the work they do, it would be a good thing.
