Safety First: Remember, the speed limit in Harbor Village is 10mph. It is spring and people are out walking. Visitors will be here with children. It is a time when more homeowners will be walking their pets. At 10mph, you can get to any residence within two minutes once you enter the property. Let's pay attention to our speed and our neighbors.

Neighborhood Watch Committee:

Current Neighbor Watch Committee members and anyone willing to volunteer to be a part of the committee, please contact Bill Clay by email at williamstevenclay@gmail.com.

Swimming Pool:

The swimming pool will open on or before Memorial Day. Work has already started on getting the pool and the pool deck ready for swimming season. Once this is finished and the pool is inspected the pool will be Ready to open. Our residents will be notified that the pool is ready for business. All we will need then is for the weather to cooperate.

Flag: The new flag at the main gate once stood in the Rotunda of the US Capital. The flag was received from US Representative Jim Cooper and donated to Harbor Village by a former resident.
