### Prevention Tips for Burglary of Vehicles (BOV), and Automobile Thefts (AT)

Please be advised that during the summer time hours an increase of Burglary of Vehicles and Automobile Thefts will occur. These crimes occur at various locations, and hours. The El Paso Police Department reminds you, and your family to remain alert, and to practice Pro-Active Crime Prevention measures to help reduce the odds of you becoming a victim of crime.

You can be an effective Crime Stopper if you:

1. Always lock your vehicle, and keep your vehicle windows closed.
2. Use an anti-theft device such as a burglar alarm, or a steering wheel lock.
3. Do not leave any packages, electronics, or other valuables in plain sight.
4. Secure your valuables in your vehicle's trunk, or in an out of sight storage.
5. Park your vehicle in a secured lighted area.
6. Report suspicious activity, or individuals to the El Paso Police Department Non-Emergency number 832-4400, or call 911.

These crimes are crimes of opportunity. When you practice these tips, you reduce the opportunity. We also request you share this information with your family.

On behalf of the officers, and staff of the Pebble Hills Regional Command Center, and the El Paso Police Department we thank you for your attention, and support.
