### Life In The Community

President -- Aplymouth907@gmail.com

8546 Stevenswood Road 410-922-4124

On behalf of the Stevenswood Executive Board, I extend to each of you a Happy Autumn season. In the words of John Burroughs, *“How beautifully leaves grow old. How full of light and color are their last days”*. He was an American naturalist and nature essayist.

Many of you may have received notifications from BGE about its plans to replace underground gas pipelines on your street, and you have seen the yellow tape and signs about restricted parking on your street or court. The reason is that BGE is replacing outdated materials such as cast iron and uncoated steel gas pipelines with modern, durable equipment. Please know that there are still some gas pipelines that have not been replaced in Stevenswood. So, I urge you to do as Mrs. Mary Johnson, 3412 Courtleigh Drive, did on September 19<sup>th</sup>. She smelled natural gas coming from a home three door down from her home and immediately called BGE. I wish to thank her for doing the following, *“If You Smell Something, Do Something.”* Mrs. Johnson’s action prevented a catastrophe in our community.

The next general meeting of the Stevenswood Improvement Association will be held on Wednesday, October 11<sup>th</sup> at 7:00 P.M. in the Pike Conference Room at Northwest Hospital. Our guest speaker, Sister Catherine Seaton, Office of Community Health Improvement, is presenting information about Brain Health and Memory Enhancement Strategies. Please come to the meeting and bring a neighbor.

# THANK YOU!!!

### III. **Remaining Procedure**

According to the SIA By-Laws, at the October 11, 2017 General Meeting, the Slate of Officers will be presented by the Chairperson of the Nominating Committee. Then, the President can call for nominations from the floor for any of the positions beginning with the office of the president and ending with the office of the treasurer. Nominees must be present and must agree to have their names placed on the ballot. According to the By-Laws, this process ends at this point.

No nominations are permitted at the General Meeting on January 10, 2018. The Slate will be presented, to be voted upon, to the general membership in attendance.

The ballot currently reflects one candidate for each office, therefore a simple voice vote can be scheduled for the slate.

The newly elected officers will take office, and the membership will be notified.
