Mr. Mike Adjemian  
1408 Fairfield Dr.  
El Paso, Texas 79925

Dear Mr. Adjemian,

My annual back to school fair was a huge success- and it would not have been possible without your generous support. As a result of our partnership with the Cielo Vista Neighborhood Association, we were able to provide over 300 students with some of the necessary supplies needed for a successful school year. As you may know, 98% of the students at Burleson Elementary School are of lower socioeconomic status, thus any help these families receive is welcome.

I would like to let you know why I am so passionate about these kind of events. My goal is to be a resource for my constituents and connect them to the agencies, experts, and individuals who are able to serve them. Through initiatives such as the School Supply Fair and the Citizenship Fair, I am able to do just that. The School Supply Fair serves the children in my district and it truly makes a huge impact in their life.

Yesterday, you helped a bright young student resume their education for the new school year. Further, you unburdened a parent who may have been worrying about how they were going to send their child to school with all the supplies that were asked of them. I would simply like to say *thank you*. Thank you for supporting my office's efforts to ensure the children of Burleson Elementary School start off the school year on the right foot.

Best regards,

César J. Blanco  
State Representative  
House District 76
