April 2018

Spring Clean Up Project

Volunteers are needed for a clean-up project in the subdivision. Meet at 8:00 AM Saturday, April 28 at the corner of Antler and Fox Drive. Wear boots, bring gloves and a snow-type shovel if you have one. We will be filling a 20 yard roll-off dumpster. The dumpster will be available after April 28 through May 2 until it is filled for Hunter's Ridge homeowners to drop off household items they haven't had time to take to the landfill (this is not for trash from a private business, but rather for small things you can't put in your regular trash pickup). The dumpster cannot be overfilled. Below is a list of items that **CANNOT** be put into the dumpster.

***PAINT*PRESSURIZED TANKS*LIQUIDS/OILS/WET CONCRETE*TIRES*DRY CEMENT*BRICKS*REFRIGERATORS/AIR CONDITIONERS*YARD WASTE*HAZARDOUS OR ILLEGAL MATERIALS*HOT ASHES*WOOD*HEAVY OR HARD METAL*HOUSEHOLD APPLIANCES (TVS,COMPUTERS...)**

If you have any questions, feel free to contact Shara Weiss via email or text 573-631-4890. She will respond as quickly as possible.

We are also collecting up to 15 tires for a donation of \$3 each for the retailer who is taking them for us. We will collect these separately in a truck on April 28 only. Please have cash on hand at pickup. Regular size tires only. This is to eliminate a breeding ground for mosquitos and are also unsightly in the neighborhood.

Did you Know?

The time has come for our water tower to be inspected for sediment and structural integrity! The Association is currently accepting bids from divers to have this completed. Keep an eye out this summer to see divers climbing the water tower to check it out for us.

4th Of July

We have the opportunity to create a neighborhood wide 4th of July fireworks display thanks to the Becker family, but we'll need help! If you have an interest in helping with the cost or planning the event, please contact Theresa King via the Hunter's Ridge Community facebook page or at kingmomma@me.com. We can't do this without financial support and extra planners!

Hunter's Ridge Website NEEDS your email address!

As you may know, we have a new website. It will be the portal for you to make your water payment ONLINE (it's in the works!). In order for you to access this, you need to visit the website and register your email address. There are discussion boards, newsletters will be archived and you can stay up to date with community happenings.
