

Stone Oak Sign Policy Update

At their May 16th meeting, the Stone Oak Board of Directors voted in the following additions to the Stone Oak Sign Policy. You can find a copy of the Stone Oak Sign Policy on our website, www.StoneOakPOA.com, on the "Governing Documents" page. (Please remember, any signs placed within your neighborhood should adhere to your neighborhood restrictions.) Please also remember to check with the City of San Antonio for any approvals they require by calling 311.

Garage Sale Signs:

Any garage sale signs not previously approved require a full submittal to the ARC. In addition, sign design changes of previously approved signs must be formally submitted for review.

If a HOA community garage sale sign has been previously approved, a notification to the POA office at 210-490-9481, or to cgonzalez@mgmtco.com, or mloriente@mgmtco.com, stating the desired

dates of display, or the ARC submission form filled out with the dates of display, will be required. If this notification is not received, the signs will be subject to removal by the SOPOA and a retrieval fee may be imposed. Notifications should be no less than seven days prior to desired display.

Real Estate Signs & Open House Signs:

The ARC permits one open house sign to be placed at the neighborhood monument at the neighborhood entry during the hours of the open house. This one open house sign is not required to be submitted to the ARC for review, however, it must:

- Be professionally made
- State the realty company and realtor name

NO balloons, lights, pinwheels, ribbons, streamers, or other items to attract attention are permitted. Signs that are handwritten, are generic in nature (red signs with arrows), directional signs, etc. will be removed and are subject to a retrieval fee. Any signs placed in thoroughfare medians will be removed.
