POOL SEASON IS HERE

The pools are open and we hope everyone is enjoying them and having a good and safe summer. Pool keys are still available at the office for new residents or for those who have lost one. The cost is \$20.00 if you turn in your old key, or \$25.00 if you do not have an old key. It is always a good idea to call beforehand, to make sure the manager is in before you come to get your new key.

Pool gatherings are acceptable, however we ask that you call ahead and book the date with the office to make sure another party is not planned for the same time at the same pool. All guests must be accompanied by the resident.

SIGNAL 88 SECURITY is Summerfield's own pool security service, and will be patrolling the pool areas. Their contact information, including phone number and email, is posted on signs by the gate at each pool. If an URGENT SECURITY issue arises you are encouraged to contact them. You may also call the office for problems arising during office hours.

PLEASE OBSERVE THE HOURS AND RULES POSTED AT THE POOLS

REPORT ISSUES RIGHT FROM YOUR PHONE

Download the **OKC Connect** App – it's free and allows you to use your smart phone to ping code violations such as illegally parked, abandoned and inoperable cars, junk and debris, tall grass and weeds, street maintenance issues and more to the City of Oklahoma City. You simply drop a marker on the map where the violation is located, answer a few questions, and can upload a photo if possible. Your report will be sent to the appropriate City department, and they will respond to let you know what action was taken (unless your report is submitted anonymously.) Super easy!

WHAT IS NEIGHBORS NIGHT OUT?

Neighborhood Alliance organizes this date once a year as a designated evening for residents to get out and socialize in their neighborhoods. These gatherings can range from being as simple as visiting on the porch or common areas, to fully-catered affairs with several attendees. Regardless of size, these events are an opportunity for you, your neighbors and local businesses to build relationships and sense of community. Aside from Neighborhood Alliance, this is also hosted by Oklahoma City Police Department, Oklahoma City Fire Department, Waste Management and local Target Stores. Thousands of OKC Metro Area citizens at over 90 Neighborhood Events celebrated **Neighbors Night Out** in 2017.

*Contact the office if you would like assistance in registering and coordinating a get-together for September 11, 2018.

NEW RECYCLING BIN USE STARTS THIS MONTH

A reminder that new recycling pickup will be on the same designated trash day, but only every other week. **Note:** the Summerfield Rules require all trash and recycling bins to be stored in such a way that they are hidden from public view. If three large carts are difficult to store in this manner, residents can call the City and they will pick up one of your carts (trash or recycling). You can visit www.okc.gov/mytrashday for any other questions.
