

## **INDOT R34815A**

### **Dupont Road Added Travel Lanes Project**

**Lima Rd to Coldwater Rd**

### **Construction Update**

September 15, 2018

The following schedule of activities is provided to highlight major activities. Changing weather conditions and/or internal schedule changes may alter the dates below. Traffic control signage and detour markings will be provided in advance of and during any closure.

Phase 1 Traffic Closure – September 15

**Dupont Road open to local traffic only Lima to Coldwater, thru traffic including trucks will remain restricted between Lima and Coldwater.**

**Detour routes for thru traffic will remain posted.**

Phase 2 Traffic Shift – September 15 through November 16

**Dupont Road traffic shifted to North side between Lima and OakTree and South side from OakTree to DupontVillage.**

**Hickory Tree will remain closed through October 20.**

Pedestrian tunnel work is still underway with expected opening November 16.
