Grass Scalping & Seeding to Take Place on Friday, September 28th

Dear Esprit Residents,

The fall scalping will take place this Friday, September 28, 2018. Please keep all doors and windows closed to avoid dust, dirt and debris from entering your homes.

Once the scalping is finished, seeding and additional watering will take place to germinate the new grass. The annual flowers will also be pulled from the beds and the beds will rest for several weeks before the new flowers are planted.

Any questions, please contact your Managing Team:

Rose Reyes at RReyes@drmineternet.com

Kevin Camarillo at KCamarillo@drmineternet.com

(760) 346-1161

Respectfully,

Rose Reyes, CCAM[®], CMCA[®], AMS[®], Community Association Manager

On behalf of the Board of Directors Esprit Palm Springs HOA
