

RED IMPORTED FIRE ANT TREATMENT

Reminder of Scheduled Red Imported Fire Ant Treatment**

This email is to remind you that your community will be treated
for Red Imported Fire Ants on:

Wednesday, December 5, 2018

Technicians are scheduled to arrive between:

8:30 a.m. and 3:00 p.m.

to begin treatment throughout the community.

All irrigation will be shut off no later than **9:00pm** the day prior to treatment and will be left off until **9:00pm** the day of treatment.

NO landscaping projects and/or mowing to be done on the day of treatment.

If you have any pets, please keep them indoors or in a secure enclosed area outdoors as a precaution while the technicians are on property for safety precautions.

Product Information:

Control products are water soluble and will render ineffective when in contact with water.

The control products used are made at a very low dosage, enough to kill an ant and will not harm pets.

Should you have any questions or concerns regarding the treatment, please feel free to contact:
