

NORTHWEST PHASE II
TITLE

LIGHT RAIL EXTENSION
TYPE

FACT SHEET / Q4 2018
valleymetro.org/northwest2

About the Project

Phase II of the Northwest Extension will extend light rail west on Dunlap Avenue from 19th Avenue, then north on 25th Avenue and across I-17 on Mountain View Road with a terminus on the west side of the freeway near Metrocenter Mall. The Northwest Extension was approved by the Phoenix City Council in 2004 and then separated into two phases in 2007. Phase I, 19th Avenue from Montebello to Dunlap avenues, opened in March 2016.

In 2016, the Phoenix City Council approved accelerating the Northwest Phase II project to open in 2023 rather than 2026. The advancement is funded through Transportation 2050, a 35-year, multi-modal transportation plan approved by the Phoenix voters in 2015.

COST FORECAST*

	Programmed	Expended
Planning Phase	\$6.8 million	\$4.2 million

*Estimated as of June 30, 2018.

PROJECT SCHEDULE

PROJECT STATUS

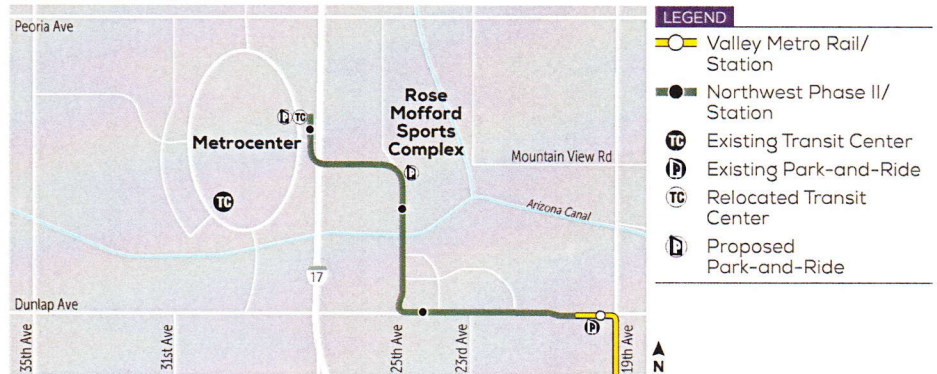

- A public meeting occurred in October 2018 to review the project's draft Environmental Assessment report and seek public input.
- Advancing initial design plans into the next phase.
- Evaluating and locating underground utilities and conducting various infrastructure inspections through fall 2018.
- The seven selected project artists are gathering input through fall 2018 for their design elements.

NEXT STEPS

- A public meeting will be held in spring 2019 to seek input on the project's design, including the artist's concepts.

ROUTE MAP

LEGEND

- Valley Metro Rail/ Station
- Northwest Phase II/ Station
- Existing Transit Center
- Existing Park-and-Ride
- Relocated Transit Center
- Proposed Park-and-Ride
