

## **IMPORTANT ANNOUNCEMENT AND UPDATE – GATES/ENTRY**

Greetings Owners

We're continuing to work through our gate cleanup and resolve any remaining issues with cards and remote gate openers. Our gate company, Patton will be onsite this Saturday from 8:00 am – 10:00 am. They will inspect any cards or remote gate openers that are not working and run a diagnostic test to identify the devices and then input the registration numbers manually into the system.

There will also be a limited number of cards (\$10) and remotes (\$45) available for purchase – cash or check only.

For security purposes, please bring photo ID with you to verify you are on the list of owners. Once your ID has been verified, Patton will troubleshoot your inoperable device and get your access issue resolved.
