

City of Lake Oswego
Water Line Replacement

3/16/2019

As part of the school/pool project at Lakewood Junior High, the City of Lake Oswego will be replacing the Water Main across Friendship park this spring. The plans indicate all our trees will be protected. Apparently, this project was moving slow until last week, now it's on a fast track. So, expect construction soon. City, of course, will replace the lawn and path they disturb. We'll keep you posted as the project commences.
